In our house there live six families. The Smiths live on the ground floor, the Fords live on the first floor and the Scotts live above them, on the second floor. On the third floor live the Kings and on the fourth floor is our flat. The Cooks live on the top floor, the fifth.

You can see a balcony with a lot of plants on the top floor. I love it. I often go there. Mrs Cook is older than my grandma and she needs my help.
